MOHAMMED ISMAEEL

Junior Fullstack Web Developer

+963-967-535-203 • mohammed.z.ismaeel@gmail.com • mohammed-ismaeel-366452279 • Damascus, Syria

Summary

Full Stack Developer skilled in creating efficient, scalable web applications with strong front-end and back-end expertise. Experienced in React.js and Laravel, I build responsive, user-friendly interfaces that integrate seamlessly with powerful back-end functionality. Currently a fourth-year Software Engineering student, I bring strong problem-solving abilities and a commitment to delivering high-quality digital solutions that meet client needs.
